# Novice Division Guidelines

Novice Division participants need to decide at the beginning of the season which division they will ride in. Horse and or rider can only compete in one division.

**Novice Youth** is any rider age 19 and under that has not loped in any class.

**Novice Adult** is any rider age 20 and over that has not loped in any class.

**Novice Horse** is any horse that has not loped in any class.

Once a novice horse or rider has competed in a loping class, they may **not** return to the novice division.

A rider that competes in a loping class may show a novice horse in the novice horse walk trot class.

The horse will be considered a novice until that horse has competed in a loping class.

## Let's Get Together .....

On Saturday afternoon once the show is over and the horses are put away, let's get together for a bunch of GREAT food. There is a potluck get together in a covered area at the show grounds in Ithaca. Bring a dish to pass, a lawnchair and be ready to eat and chat with a great group of people !!

## Apology

A sincere apology goes to Gordon Mock for the mistake at the printers. We will go above and beyond to advertise

**NFT ENTERPRISES**

through out the show season .

Soooooooo Sorry !!!!!!!

Greetings from your President,

I hope you have all survived the cold, harsh winter and are preparing for the upcoming show season. It is fast approaching and the board has been hard at work. We are planning on another successful summer with some amazing prizes!

We have 3 shows that will be adding \$100 to EACH of the jackpot classes. The board decided to do some custom silver awards instead of the trophy saddles. It cost us a little bit more, but we are able to award 9 people, instead of only 2 this year. These prizes are for the individual leading their division at the end of the year. The board has also decided to do a weekend high point at the end of August instead of 2 daily high points.

You can see the family fun weekend show bill in this newsletter. This is something new for the 2006 season. It's a trial show, if it is a success, then we will continue to have it in the future. If not, then we will try something new in 2007. This weekend has typically been one of our smallest shows so we are hoping to draw in some additional participants.

We have a young lady that has been hard at work collecting sponsors all over the Midland area. Amber Daniel has already collected over \$700 this year. Thank goodness for her "special connections" too. This year we are probably the only open horse show circuit with an AEROSMITH road crew sponsor!!! They donated \$150 and MMOHSC has decided to match their \$150 and have \$300 added money to the June 11<sup>th</sup> jackpot classes. That is \$100 per class. Thanks Amber for supporting MMOHSC.

Thanks to all of our sponsors and to our members that have went out of their way to support MMOHSC this year. Without your support we would not be successful. We can not express our appreciation enough to each of you.

I would like to extend a personal apology to Gordon Mock. There was poor communication between myself and Staples when we were getting the brochure set up for printing. I am truly sorry that Gordon's business is not on the 2006 brochure. Many of you know Gordon as our photographer, so please take the time to thank him for his generosity.

I hope to see everyone out at the Teddy Bear show April 29<sup>th</sup>.

Take care,

Angie Bailey
