MID MICHIGAN OPEN HORSE SHOW CIRCUIT

Newsletter- March 2011

A Message from the President

Hello Members!

With 2011 in full swing, the MMOHSC board has been very busy finalizing all of our show season details.

After working with these board members for the last few months, I can confidently say that this board is a panel of very dedicated members all of whom want the best for our circuit and all of its members!

One change we would like to implement is a quarterly newsletter that is posted on the MMOHSC website instead of sending them out via U.S. postal service. We feel this is a much more economical, eco-friendly and efficient way to get news and the latest updates to our members. We can also be found on Facebook so be sure to check it out!

Don't forget about getting your membership and sponsorship info into us as soon as possible. All of the forms and additional info can be found on our website. With the cold and snowy conditions all around us, it is great to plan and look forward to showing and riding in the warmth of the summer sun.

As always, the board welcomes your comments and input. Stay safe and warm!
